## 3rd Annual Charity Fishing Tournament

Benefitting children and adults with disabilities in Central Illinois

Camp Big Sky continues its mission of providing accessible outdoor recreational opportunities to children and adults with disabilities. The 3rd Annual Charity Fishing Tournament will be held **Saturday, May 19, 2012 (rain date May 20)** at the **Lakeland Park in Canton, IL**. This event will team our campers with experienced tournament fishermen for a very special event to raise funds to benefit our camp.

- 20 teams will compete in a Bass Masters style tournament complete with first class boats and an exciting Weigh-In Ceremony, providing participants with a memorable experience.
- Revenues from sponsorships and a raffle will benefit Camp Big Sky.

Last year more than 1,000 people with physical, developmental, cognitive, sensory, and age-related disabilities, along with hundreds of their family members, friends, and caregivers, visited our camp--all at no cost to our guests.
