About The Event

The Camp Big Sky Tournament pairs campers with disabilities with experienced tournament fisherman in a Bass Masters style competition that provides a memorable experience for all and raises significant portion of our annual operating budget.

Selected campers get an opportunity to fish with a professional and be recognized in our Parade of Boats and Weigh-in Ceremony. Every participant receives a t-shirt and trophy while helping raise funds to operate the camp at no cost to our guests.

Potential participants must be able to use a spin casting rod and reel (training & equipment provided), be able to fish for three hours in a boat, attend one of the two on-water trainings, love to fish and participate the full day. The tournament fisherman volunteer their time, expertise and boats for the day, so it is important that participants commit and participate for the whole day.
